

## Activities sheet 7: Ninjas always have good luck

Let's do some funny activities related to the chapter "Ninjas always have good luck" from the book "Nico, the little detective". The first activity should be done before reading the chapter of the book.

### Activity 1: Help Nico solve his case

Nico and his sister spend Christmas holidays in Segovia with their grandparents and their cousin César; when they are playing near the Aqueduct their cousin falls and gets hurt.

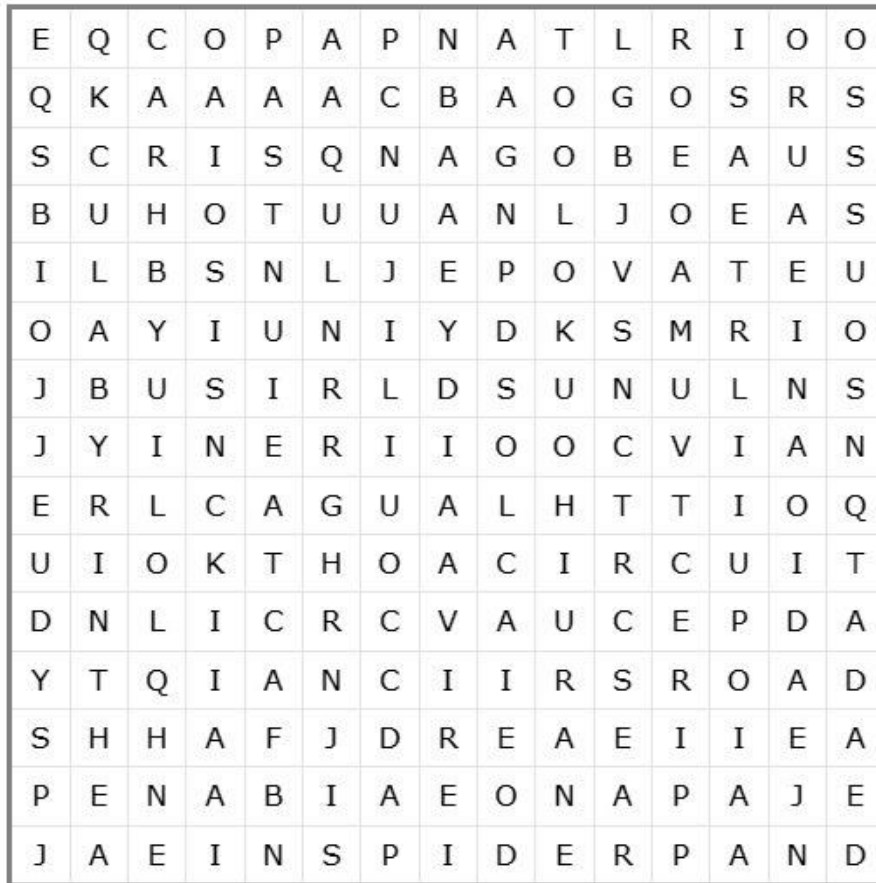

César is sad because he has very bad luck: he always has accidents, he loses things and his exams go badly, although he says he studies a lot.

What can Nico do to get his cousin rid of his bad luck? Maybe the ninjas can help.

*Imagine a solution to solve this case and write it down to help Nico.*

## Activity 2: Find the words that have been lost

Search for the following words in this word search puzzle: Segovia, Aqueduct, Japan, ninjago, luck, circuit, labyrinth, spider.

## Activity 3: Tell Nico your opinion

In this chapter Nico has to help his cousin get rid of his bad luck.

- Do you think you can improve your luck? Tell Nico your opinion
- What actions do you think you can take to improve your luck? Write the ones you can think of
- Ask your family and friends what they think about whether luck can be improved and what actions they would take to do so.

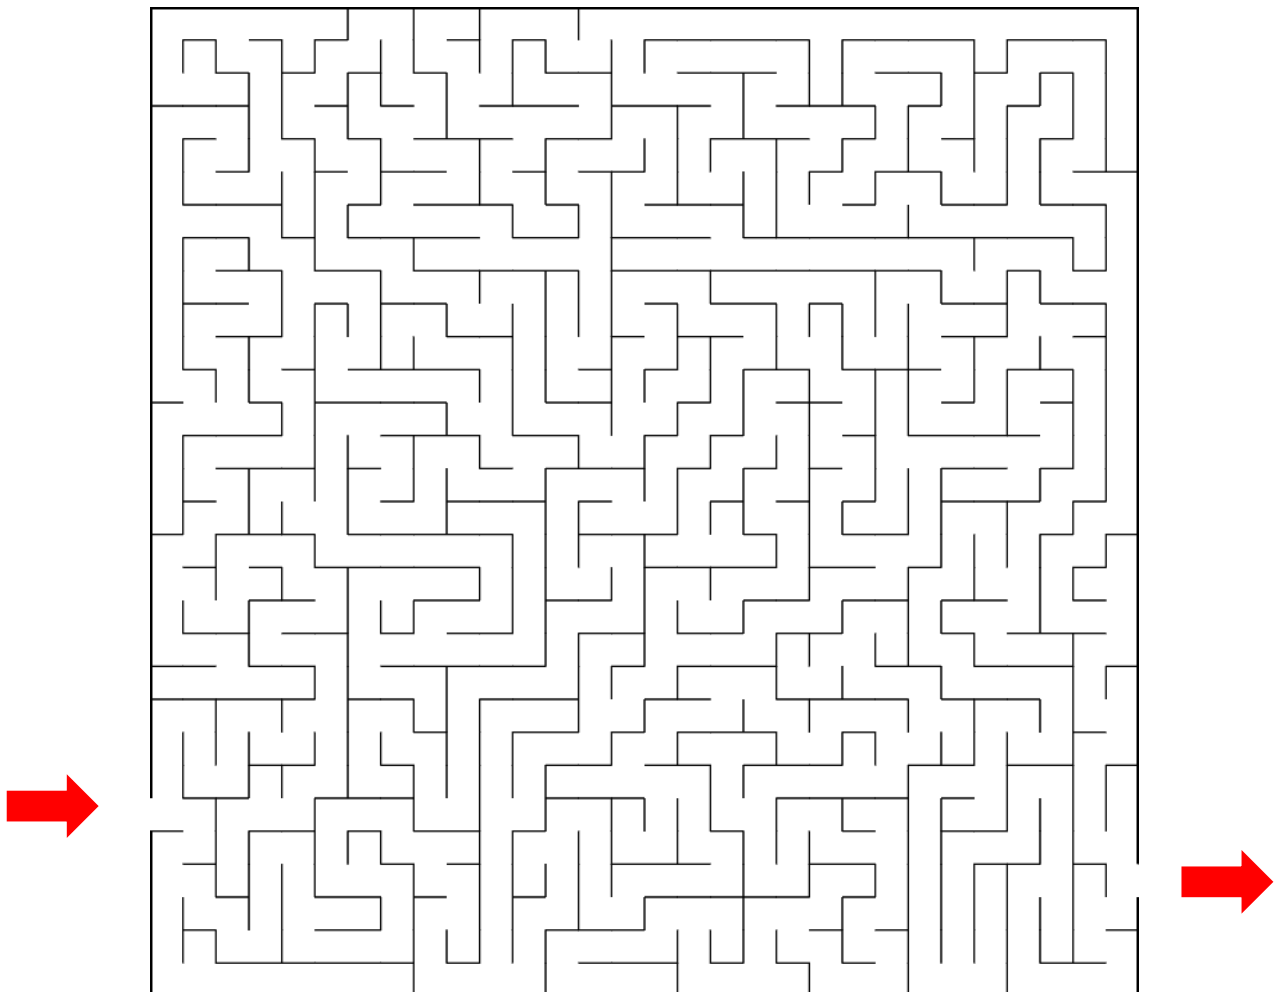

### Activity 4: The challenge of Nico's questions

Nico challenges you to answer some questions related to this chapter of the book.

- Why do Nico and her sister spend Christmas in Segovia with their grandparents?
- Say three monuments you can find in Segovia
- What country do ninjas come from?
- Why does Nico know so much about the Lego Ninjago characters?
- What ninja tests does Nico train with his cousin?
- Why is Nico training these ninja tests with his cousin?

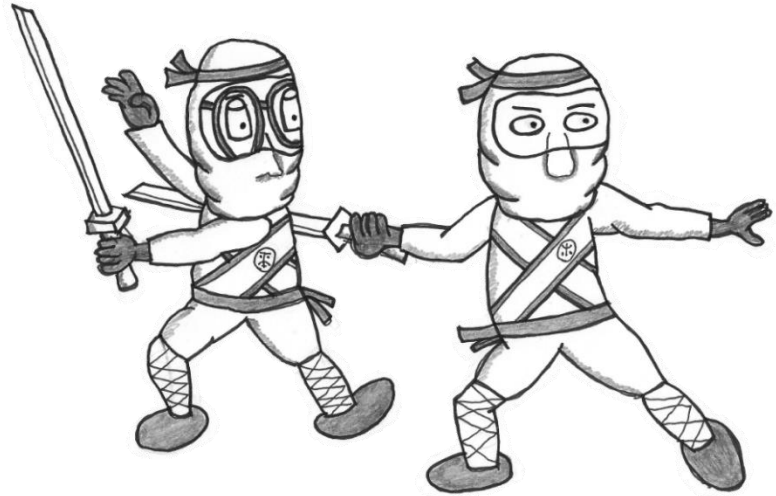

### Activity 5: Solve Nico's problem

Help Nico get out of this ninja maze.

## Activity 6: Draw Nico's adventures

In this chapter Nico and his cousin César play at being *Lloyd* and *Kai*, the famous Ninjago characters by Lego. Draw this scene.
